COLLECTIONS

Zhejiang Wuyi Wanlong Doors Industry CO.,LTD was established in April 21, 2006. It is located in Wangshantou Industrial Zone, Quanxi Town, Wuyi county which has lots of factories assembled and beautiful environment. The enterprise is making production research and sales of steel wooden armored doors. At present, the company has a staff of 166 people. The daily output of steel wooden armored doors reaches more than 200 sets. The products are exported to all over the world.

Zhejiang Wuyi Wanlong Doors Industry CO.,LTD is a professional engaged in steel wooden armored doors manufacturing enterprise. Since its beginning, the company adheres to the service idea of "Genuinely service and perfectly pursuit". It is committed to be a variety of steel wood armored doors customization, design, production and sales of integrated enterprise.

The company was founded in 2006 and it is near the wuyi county which is an enterprise with design, development, production, processing and sales all together. Since its establishment, it has developed into a company with covers an area of 16000 square meters and daily output of 200 sets doors! Development up to now, the number of employees reaches more than 166 people, from the original 10 people,

In order to response to the government of "improve the production efficiency, and eliminate backward production capacity" at the end of 2012, the company spent a huge sum of money to import many fully automated equipment (sino-german joint venture with high-speed turret processing center, sino-italian joint venture with automatic and abnormality sanding machine and CNC bending machine, etc.). We are specializing in the production of various countries in high-grade armored doors and they can be customized according to different countries' customers requirements. The doors quality and appearance is close to reaching the same products abroad. We receives good fame from foreign customers and can meet the requirements of large quantities and high quality.

The technique and technology of our main products- steel wooden armored doors, was founded in foreign countries, mainly in the Middle East, Europe, Africa and South America. The steel wooden armored doors were introduced to domestic production in the Ninety's. The main technical features are: steel and wood perfect combination, personalized customization, more sweet and beautiful appearance, and wooden feeling stronger. After years of accumulation and hard work, according to the different countries customer habits, we have successfully developed the first products include four categories: Turkey style armored doors (Mainly in Africa and Middle East), Italy style armored doors (mainly in Europe and Africa), Russia style armored door (mainly in Northern Europe), Normal style armored door (mainly in Asia and the domestic engineering).

The company's products are mainly for export. The sale in domestic market accounts for only 25% of total sales. And the doors are well received by the foreign traders. Till the end of 2013, the company's products have been sold to more than 130 countries. All doors are with orders production, according to different requirements of customers sizes and colors.

The company has four philosophies:

1. Enterprise spirit: build righteous and to be moral;
2. Business strategy: to the most stringent requirements to produce perfect products, and exert maximum satisfy customer demands;
3. Service concept: we are the actor, the customer is the judge;
4. Enterprise target: Endless innovation and possibility; Endless pursuit of excellence;

By hard efforts of the staff, "Wanlong" company will seize the opportunity and accept the challenge to create a new brilliance. We hope more and more customers will cooperate with us and we will create a better future together.

CE CERTİFİKASI

Üretmiş olduğumuz çelik kapılar insan, hayvan ve bitkiler için zararlı olabilecek içerikler barındırmamaktadır.

CE CERTIFICATE

The steel doors that we produce do not contain any content that could be harmful to humans, animals and plants.

CE ZERTIFIKAT

Die von unserer Firma produzierte Türe, beinhalten keine Inhalte, die den Menschen, Tieren und Vegetationen Schaden errichten.

Nos Certificats CE

Nos portes en Aciers produits, ne comporte pas de dangers, sur la vie humaine, animaux, et ces végétaux.

Сертификат CE

Произведените от нас стоманени врати не съдържат вредни за хората, животните и растенията вещества.

ISI YALITIM SERTİFİKASI

Isıtma ve soğutma enerjilerinden tasarruf, günümüzde artık bir zorunluluk haline gelmiştir. Çelik kapılarımız, gövdesinde kullanılan özel yalıtım malzemeleri sayesinde ısı geçirgenliğini ve kaybını önlemektedir.

HEAT INSULATION CERTIFICATE

Today, saving to heating and cooling energy has become a necessity. Our steel doors prevent heat loss and conductivity by special insulation materials used in the body.

ISOLIERUNGSZERTIFIKAT

Es ist heute von der Notwendigkeit geworden, die Heiz- und Kühlerenergie einzusparen. Unsere Türe verhindern die Wärmeleitfähigkeit und den Verlust mit dem am Körper gebrauchten speziellen Isolierungsmaterial.

Certificat de l'isolation pour conserver la chaleur

A nos Jours, économiser, et conserver la chaleur et de Froid est devenue presque une obligation, nos portes en acier, avec les matériaux spéciaux utilisés dans son corps, permet d'être à une bonne perméabilité contre chaleur et de froid.

Сертификат за топлинна изолация

Спестяването на топлинна енергия и охлаждането днес се превърна в необходимост. В стоманените ни врати се използват специални изолационни материали, благодарение на които се предотвратяват пропускливостта и загубите на топлина.

SES YALITIM SERTİFİKASI

Çelik kapılarımız, ev içinden dışarıya ve ev dışından içeriye sesin alınması konusunda son derece cıvrıdır ve 21 Db'e kadar seslerde mükemmel yalıtım sağlamaktadır.

SOUND INSULATION CERTIFICATE

Our steel doors are extremely effective for preventing sound intake to inside as well as preventing sound transfer to outside and they provide excellent sound insulation up to 21 dB of sound.

SCHALLDAEMUNGZERTIFIKAT

Unsere Stahltüre sind von Aussen nach Innen des Hauses den Schall hereinzunehmen sehr geizig. Die Klammer bis zu 21 Db versorgen unsere Türe eine einwand freie Isolierung.

Certificat de l'isolation contre le bruit

Nos porte en aciers, sont conçues, pour ne pas passer les bruits intérieurs à l'extérieures, et de vice-versa jusqu'à 21 Db.

Сертификат за звукова изолация

Стоманените ни врати са изключително оскъдни при пропускането на звуци от вътре и от вън те осигурява отлична звукова изолация до 21 Db.

Uluslararası direktifler, kanunlar, standartlar ve düzenlemeler ile uyumludur. Bu bağlamda teknik sertifikasyon kuruluşları ile birlikte yakın işbirliğine girmeyi son derece önemli buluyoruz.

Collaborates with the main technical Certification Associated in the context of compliance for International Laws, Standards, Rules & Regulations.

HAVA-SU-RÜZGAR YALITIM SERTİFİKASI

Çelik kapılarımız, dış yüzeyinde kullanılan malzeme ve boyalar sayesinde sert iklimler için yalıtım sertifikasına sahiptir. Aşırı sıcak, aşırı soğuk, nem, rüzgar gibi dış etmenlerde, hem kapımızın kendisi uzun ömürlü olma özelliğini korur hem de apartman veya daireye bu olumsuzlukların girişini engeller.

AIR-WATER-WIND INSULATION CERTIFICATE

Our steel doors have insulation certificate for tough climate conditions as a result of the paints and materials used on the outer surface. They maintain long life properties of our door against external factors such as extreme heat, extreme cold, humidity, wind etc. as well as avoiding the entrance of these negativities to our apartment or to our flat

LUFT,-WASSER,-WINDISOLIERUNGSZERTIFIKAT
